Gulf of Carpentaria ~ Australia

## Skull Island Panko Crumbed Banana Prawns

- Wild Caught Australian Banana Prawn
- Certified 'sustainable' by the Marine Stewardship Council (MSC)
- Jumbo size, 32 pieces per kilogram. ~30gm per piece
- More prawn, less crumb! Each prawn is lightly coated allowing you to taste the Australian prawn and not battle through a mouthful of bread crumbs.
- Conveniently IQF torpedo frozen – straight out of the pack into the deep fryer until “golden brown”
